

NMHS Project Graduation 2015

Dear Friend,

Graduation for the New Milford High School Class of 2015 is quickly approaching. Graduation from high school is one of the special events that stand out in our minds as both an educational milestone and a symbolic passage to adulthood.

A Project Graduation event is being planned to ensure a fun and safe evening for the Class of 2015 graduates. NMHS Project Graduation traditionally has nearly 100% participation and is considered one of the best events of high school. This is the last time the class will be together, a sort of grand finale to their high school career.

The goal of this evening is to provide an exciting, fast-paced, all night party that is free of alcohol and drugs, where students can celebrate their achievement in a truly safe environment. Further, this event will keep our students off our roads on an evening that traditionally has a high risk for motor vehicle accidents.

Project Graduation is financed primarily through parent contributions and fundraisers. However, an event of this magnitude cannot be accomplished without the support of community partners like you. Thus, we request your assistance in making a fun and safe graduation night for the students of New Milford High School, a reality. Please consider a sponsorship of this program at the level appropriate for your organization.

The contribution options attached provide a great opportunity for us to recognize your business as your tax-free contribution helps us provide our students with a safe, activity-filled celebration. We guarantee that providing a safe celebration venue for your NMHS graduating seniors will be one of the most worthwhile donation requests you will ever receive.

On the behalf of our entire community, the Project Graduation Committee, the parents and 2015 graduating class, we sincerely thank you for your consideration, generosity and support of this most important event.

Kind regards,

NMHS Project Graduation 2015
